REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The objections to the specification and the drawings are withdrawn in view of the amendment to the specification and Applicant's remarks on page 3 of the Remarks.

Claims 1, 2 and 4 are allowed over the prior art because none of the prior art discloses or suggests an auxiliary capacitor electrode formed over a majority portion of display screen in such a manner that the auxiliary capacitor electrode is opposed to and overlaps a majority portion of each of a plurality the pixel electrodes, with an insulation film interposed therebetween, a region of the auxiliary capacitor electrode corresponding to a gap between adjacent pixel electrodes having at least partially been removed.

Claims 3, 5-8 and 10-16 are allowed for the same reasons set forth in the Office action mailed on 02/13/04.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
